

# Microsoft Teams Trial Overview

## Teams Exploratory Experience

- Trial started by End-User
- No real user limit, based on current seats
- Every Trial license is free until the customer's next EA anniversary or renewal date, after January 2021. At that point in time the license will need to move to a paid license
- Available for end users who are in a managed AAD (Azure Active Directory) tenant but don't have a Teams license

FULLFEATURED TEAMS

## CSP 6-months Teams Trial

- Initiated by CSP Partner only
- Users are limited to 1000 seats
- License is free for 6-months starting from the date the Partner activates the offer in the Partner Center
- Suited for New, Exchange Online only or Office 365 Business customers

FULLFEATURED TEAMS

## E1 6-months Teams Trial

- A Microsoft employee must request a promocode for customer and give it to the IT admin
- Users are limited to 2,500 seats but may be expanded through the expansion form
- License is free for 6-months starting from the date the IT admin activates the promotion in Admin Center. After the 6-month it expires automatically. It can be extended through the extension form.
